Subject: 2026 Business Update

February 4, 2026

Greetings,

ACS would like to thank all of you that we were able to work for in 2025. Thank you for entrusting your projects with our care. It was an honor working for you and I hope that you will give us another chance again this coming year.

I would also like to thank everyone that gave us leads and referrals. These are the main items that we grow on. Please keep sending them our way.

I once again I want to thank my Lord and Savior Jesus Christ for giving us this chance to run this business. We have enjoyed the road He has taken us on.

Now I would like to bring you up to date on 2025. Antonsen Construction Services, LLC made its largest growth to date. We are now a licensed contractor for Hartford and Sioux Falls. We look forward to expanding our business into the surrounding towns in the area. In 2025, we did our first commercial remodel on an apartment unit in the Historical district of Sioux Falls. Additionally, we completed an upstairs remodel for a home in Hartford.

Once again I want to thank my boys and sub-contractors for all of the great work they did this year. ACS looks forward to expanding our services to existing and future customers.

I am also excited to announce the start up of a two new companies: ANTONSEN CONCRETE SERVICES and ANTONSEN LANDSCAPING SERVICES. These businesses have been started by each one of my sons to help out ACS, as well as to build their own businesses separate from ACS. One other business service we are also offering is a cleaning service, which is run my wife Deb. She has previously done small residential cleaning and some move outs.

ACS is looking forward to doing many remodels and maybe some new construction in 2026. We will still continue to serve our customers with smaller handyman projects as well. Our family is looking forward to where we are going 2026!
