Call to Order

Attendees: Matt Evans, Terry Hagen, Norm Stueck, Eric Kunzweiler, Tim Goehring, Jon Brown (Stockwell Engineering) and Mitch Mergen (Stockwell Engineering)

Stockwell Engineering

- Jon Brown and Mitch Mergen - \$280/300 sq ft for restroom/concession building (approx. \$397,000)
- Concrete cheaper than masonry, but rougher looking
- Stockwell will provide 3 plans to use for ideas, Tim G. and Terry H. provided plans of their own
- Suggested we should look at JR football and Brandon ball fields for more examples
- Seeding - due to late start and possible low snow coverage, seeding will start in spring

Treasurer's Report

- Balance: \$14,209.50
- Deposits:
 - \$184.80 for cans
- Payments:
 - Buss Accounting: \$399.38
 - Pending Payments:
 - Norm (cans) - \$36.96
 - Eich Law - have not received bill, possible donation of service

Old Business:

- Scoreboard donations: plaques placed behind home plate
- Sponsors/donations/advertisements
 - City wants basic summary, then formal booklet
 - December 9th meeting will be dedicated to working on this topic. Please review the previous HASR document and Brandon example.

New Business:

- Softball Association received \$1000 Legends Grant for batting cage
- Will ask city if HASR can find contractors/invite to bid for some projects. Have had several projects in the past that could have been completed for cheaper.
- Discussion for future:
 - Committee to continue focus solely on Swenson Park Sports Complex or expand to include sports throughout the community.
