FOR RESIDENTIAL, CHURCHES AND SCHOOLS: "summer sewer rate break"
 Based on the average usage of (November, December, January, February usage) sewer charge for April 1st, May 1st, June 1st, July 1st, August 1st, September 1st, October 1st and November 1st bills unless ACTUAL sewer charge is LOWER. The December 1st, January 1st, February 1st, March 1st, sewer rates are as shown in chart.

A two (2%) percent water increase of the base rate and the additional charge per 1,000 gallons is effective each year for the January usage, which is the February 1st billing. Also, a two (2%) percent sewer increase of the base rate and the additional charge per 1,000 gallons is effective each year for the January usage, which is the February 1st billing.

A \$26 surcharge for the new wastewater treatment facility will be charged monthly to every sewer account. This is a requirement by the state for loan repayment. Once the loan is repaid, this surcharge will no longer be collected.
